Tagging:

All items must be tagged with a 3x5 Index card only, (see example on previous page) fastened with CLEAR packing tape. (no Scotch or masking tape)

Descriptions on your cards must include color, dimensions and details of the item in case your tag falls off.

Sales are lost when tags fall off!
If your item does not sell & you would like it donated at the end of the sale put a "D" under your code on your 3x5 cards.

On clothing pin 3x5 index card with safety pin as it would appear over the heart.

Your Participant code is your 2 initials followed by the last 4 digits of your telephone #. For easier identification, please stamp or mark card with a unique graphic element. This will be especially helpful for those who have identical initials!

Example:
Anne Brewer @ 892-8620 =AB8620

**Price items in whole dollars
Minimum price \$2.00**

If you wish your items to go 1/2 price on Saturday, write price in **RED**
Tags with price changes on them will **NOT** be sold.

If you need to change the price on an item, have Anne initial the change. This is the only way we can protect YOUR sale price.

All Items left after 6pm Tuesday, May 24th will be disposed of or donated if possible. We will be VERY strict on this time.
